The twenty-limit applicationry of the foundation of the Great Northern Telepraph Company of Copenhagen was celebrated here on the let instant, Messre Nielsen and Manicus, who represent the Company in Hongkong, entertained a number of their friends on the occision, including the members of the staff of the Bestern Extension Company with which the Great Northern have been working most harmoniously for several genes, past. The party passed a most pleasure erening together, and the success and prosperty of the Great Northern Telegraph Od was toasted in the heartiest manner possible, at the call of Mr Webster (who is now in charge of the Eastern Extension Co. in Hongkong). All the managers and staffs of the two companies, both past and present, were also remembered and duly honoured on the occasion. During THE S. B. City of Rec de Janeiro, with mails the progress of the dinner the following Telegram was sent to Mr Henning sen at Shanghai, where a similar gathering was coloheating the day .- Henning. sen, Shanghai, Bettermann, Webster, Mathisen, and other guests join me in greetings to assembled guests in filhaughai, for Hongkong, where she may be expected and congratulate you on your most the constulmanagement in the Ear East. Nint. sex. Mr. Henningsen's reply was to the following effect. Controller, Hongkong, of your congratulation telegram on Briday

> According to the Straits Times, the Chinese community celebrated the anniversary of Her Majesty's birthday in a very lestive

evening,--HERNINGSEN.

THE Paris Decate discusses the Anglo-Chi nese Convention of March last and enticipates that it may become the source of great difficulties both for Great Britain and

In addition to a deficiency of £15,000 in the father of the Church Missionery Society, four Nonconformist missionery societies announce a united deficit of nearly 254,000, viz. :- The London Missionary Society. £33,215; the Baptist Society, £14,183; the Wealeyan Society, 26,000; and the United Mothodist Free Church 2600

JUDGMENT has been given in the appea The Bank of China, Japan, and the Straits v. the American Trading Company, from a judgment of Her Majesty's Supreme Court. for Uping and Japan at Shanghai. Their Lordships affirmed the decision of the Shanghai Court in favour of the Trading Company, with costs against the bank.

THE following appears in the London Gazette:--The King's (Shropshire Light Infantry) Supernumerary Capt. F. L. Banon to be capt., vice E. W. K. Money seconded. The following lieuts to b capte.: E. Howell, vice Pr Bulman, prom. G. Forbes, adj., to complete estab. Second Lieut. E. B. Lund to be lieut.

vice E. Hawell. An International Binistallic Conference has been held at the Mansion House, the broceedings extending over two days. A number of papers on subjects of interest to T. H. Whitehead's absence from the Colony. | bimetalliste were read. Mr. Belfour was amongst those who spoke in favour of a ference is to show that a great change has come over the City of London in regard to the currency question, and that bimetallism

prejudice, it was considered impracticable. explanations of the 8 mark, but not the following, which has been sent to the Pall Mall Gazette by 'L. S.' .—You inquire for the origin of the dollar mark, a. it is very simple, pure cussedness. The English took the first letter of the word Labra. and draw two horizontal lines on it to distinguish it from the ordinary capital L Naturally, therefore, the Americans took the last letter of their word, and drew the lines vertically. The only wonder is that

they did not make the lines three or one. THE Straits Times of May 25 page -The President of the Municipal Commissioners, on Wednesday, in proposing the appointment of several new members, to the Sanitation and Town Inspection Commission, said it would be an advantage, if the members of that committee occisionally visited places in town which were in a very insanitary condition The Howble T Shelford, in reply, smid laughter, while thanking the President for his suggestion, said he was not prepared to place his nose at the disposal of the Municipality. The Hon ble Seak Liang Seak likewise

THE Turkestan Gasetie notes that on March 28 the Chinese tolegraph line from Peking was brought to the town of Kasbger. The European line ends at Oah, and the distance between the two of about two hundred miles of mountainous country alone breaks the direct communication by land from the Atlantic to the Pacific As Russis signed the Convention with China in respect to the junction of the telegraphic lines so recently as in 1892, there is a possibility of the completion of the circuit in the near future ; because, although special Amoor frontier with lines approaching the provision for any other junctions that may be deemed expedient.

Tan following atoms, are from the London and Uhing Express of May 4: The Admiralty have apparently decided to submit the new explosive to some further tests, as orders have been issued that cordita is to be served out to the Royal Bosereign. Empress of India, and Resolution, to be noed instead of block powder in the 6-inch quick-firing gunn If cordite for experimental purposes; had theen issued to the Centurion, says a naval correspondent, the experiment would have been more valuable. as in tropical climates the tests would anturally be more severe than can be applied on board ships serving in European waters.

A Berlin correspondent describes some forther experiments which have taken place in Berlin with the bullet-proof material invented by Heir Dowe. Those present were exclusively military men, and every precaution was taken to ensure a genuine for medical assistance. The only reply trial. The cartridges were the same as those used in the German army, and were

brought in scaled packages. The rifles med is expressed that their hands are too full were also of the ordinary army pattern, and were fired by soldiers after being loaded by a high officer. The results of the experiments were as remarkable as before. the bullete in all cases remaining embedded/in the material. The Action List of day officers will, it is anticipated, shortly undergo considerable Admiral Sir R. Vebey Hamilton, President of the Royal Naval College. will retire through age on the 28th of next month, and this will promote Vice-Admiral the Hop. W. C. Carpenter to admiral's meanwhile Vice-Admiral R. G. Douglas and the other a sergeant from the Shropwill be promoted to the rank of full ad- shire Regiment. missi; but whether he gets promoted or not

he will ratire from age on June 7. This will cause a vacancy in the Note command. as by the retirement of this officer. Sir Algerron Hencage will take a step in rank. These promotions will give advancement to Rest-Admiral Fir Robert Molyneux and Rear-Admiral FitzRoy, but it is highly prohable that precedent will be followed, and the former will be permitted to continue as the expents of the Government. the consequence would be war. The meaning of a French Madagascar and it was not until 1810, five years after Trafalgar, that Great Britain could spare 31 sufficient ships and men to take that place 31 and stop the attacks on her commerce. With this consequence from a French 27 islet in the Southern Indian Ocean in the 24 days when British Commerce with the 24 East was but a fraction of that which

it is to-day, what would be maritime consequences, to say nated by a lady. The prizes were as abandoned and the Suez Canal closed France having an island continent for rendezvous in the Indian Ocean? intimate knowledge of Eastern affairs, by land as well as by see are the better

This question I think, Sir, you, in your qualified to call attention to and I hope that you will be so kind not only to give 4th, Cloisonne Vase, presented by Mesers publicity to this letter in your influential columns, and thus at once protect British interests and Madagascar from French aggression, but also to make your comments upon it and the importance of it, in a dependence upon the precerious British ocoupation of Egypt, not acquissoing its France obtaining control of the accounted industries in mative hands in Japan. Now, Oup :harbours of Madagastat and thus the command of the Cape, the true, route to lity, we may profit by her example, and

which Yours faithfully. A BRITISH RESIDENT. TOTAL LOSS OF A GERMAN STRAMER.

We take the following from the Shanghai

Mercury of the 26th ult. :--Captain Gosewich, the officers and part of whose traders are content to bese their the crew of the German steamship Alwine Seyd arrived here this morning in a Chinese receiving and paying it by weight, and boat from Gutzlaff and reported that their keeping their accounts in Chinese cances vessel had been totally lost on Monday night (tasts). When, therefore, the Government on the Barren Islands, about 16 miles east of of India last June endeavoured artificially tender Karageorgevice. Admirection last June endeavoured artificially tender Karageorgevice. Admirection last June endeavoured artificially the North Saddles. The Alseine Seyd was to enhance the value of the rapes by Radicals are suspected of being implimited on a voyage from Newchwang to Amoy, with closing the mints, they unwittingly offered a full cargo of beancake, when she struck, a handsome bonns to the Chinese to set to Captain Gosewich was in big room; and the work to out out the natives of India in chief officer. Mr Fohlers, was in charge of those articles which are common to both the bridge. Three boats were immediately countries. If one talks to an ordinary lowered, one of which was seized by the Chinaman about the depreciation of silver compradore's staff and part of the crew, and and its excessive production which our at once shored away. Nothing has been monometallic friends are so fond of insistheard of that boat since, so the fate of its ing on, he will declare he does not occupants is at present unknown, but no understand you, and that there has been no doubt they reached the land safely. The depreciation. I found, in last, after an June 3, 1894. mainder of the crew got into the other two where I formerly lived, that the market Sin, One thing that has forced itself boats just in time, for the vessel sank prices of all the chief necessaries of life boat was obtained, in which they came up some £350,000 in the latter balf of 1823. On Calcutte-NEW-COMER. to Shanghai en related, bringing the two by forcing an artificial exchange of 15d.

THE INTERNATIONAL BIMETAL. LIC CONFERENCE.

HOW THE PALL IN BILVER AFFECTS CHINA AND JAPAN. who less now just returned from revisiting that country and other great centres of our trade in the East, after an absence of over twenty years. I have been on a tour round the world, with a determination made before starting to do my best to observe one divergence between gold and silver is Discatablishment Bill to the tenth inches affecting the trade and English interests in the East. A voyage of twelve or thirteen days across the Pacific Ocean lands one in Japan. a country that has been l much and justly praised of late years, for the courtesy of its people, their advanced ! Peris, May 17. - A prolonged debate has civilisation, and also for its picturesque taken place in the Chamber of Deputies an somety. There is however, another point the religious policy of the Government. M. that has not been sufficiently dwelt on, but | Casimir Perier stated that the Government which should surely be a great attraction was resolved to follow w pasific policy would then be understood. In the first in these hard times ; the fortunate traveller provided the Church confined its action to seven years of the last Anglo-French war, landing on these shores finds his income spiritual matters. Gevernment, he added in the infant days of Anglo-Rastern trade, doubled! If he is an American he is would suffer no disregard of the laws. M. 150 no fewer than 3000 British ships were delighted to find that the Bank pays him Perier's statement was approved by taken as prizes into the Isle of Bourbon, two dollars for every one he puts down on majority of 192 votes. the compler: the Englishman is equallyrejoiced to find ten dollars counted out to him instead of the five to the pound sterling he has been used to in the United States. And these dollars the traveller soon finds are just as good for spending to pay hotels or shops as they ever were; if on ask me the reason of this anomaly I reply it is to be found in the appreciation of gold caused by the cessation of the free

coinage of silver in Europe. Now it must

be evident that this state of things gives

an enormous stimulus to the Japanese to

produce as much as they possibly can for

sale in other lands, and accordingly that

country is very prosperous and every year

developing fresh industries. During six

weeks spent there I do nobrecollect having

once been solicited for charity: the people

appeared to be contented, happy, and fully

employed. Instead of the wretched return

that joint stock companies appear by their

printed returns to yield in Lancashire for

the making of yern and cloth, a long list

was published last antume abowing from

while we do not grudge Japan her prosperfairly consider whether her astonishing advance does not largely axise from the free coinage of silver she anjoys. China onjoys also the great stimulus to her export trade afforded by the appreciation of gold, and the constion of the free coining of silver in Europe and America. She is the only great country in the world transactions on silver in its uncoined state.
